

Project Infinity Rising Tide Nonprofit Conference 2026

Official \$150 Separate Gift Card Drawings Rules and Regulations

Sponsor: Project Infinity, Incorporated (P.O. Box 6273, Douglasville, GA 30154)

Conference Window: September 1, 2026 – September 14, 2026

Format Window: 100% On-Demand Learning Academy (Available 24/7)

Virtual Venue Platform: Zoom Events

1. Purpose of the Promotion

The gift card drawings are sponsored by Project Infinity, Incorporated, as an attendance incentive and a personal "thank you" to the hardworking individuals dedicated to the grassroots nonprofit sector. These prizes are intended strictly for the personal use of the winning nonprofit team members and are not required to be applied to organizational budgets.

2. Eligibility Window & 3-Session Milestone Criteria

To ensure an active, engaged learning environment and to maintain complete fairness, entry into these separate drawings is strictly tracked and monitored based on the following structural criteria:

- **The 3-Session Viewing Milestone:** To qualify for entry into either drawing pool, registered human attendees must successfully log into the virtual conference platform and view at least three video presentations or workshops.
- **The 100-User First Tier:** Only the first 100 registered human attendees who successfully complete the 3-session viewing milestone on the platform will be entered into the primary drawing pool.
- **The Open Marathon Tier:** The eligibility tracking window remains open 24/7 from September 1st through Monday, September 14, 2026, at 11:59 PM EDT. All users who hit the 3-session milestone before the final deadline qualify for the secondary pool, regardless of when they logged in.

3. Strict Anti-Bot & AI Subscription Policy

Project Infinity, Incorporated enforces a strict policy against automated profiles, digital proxies, and AI entities to ensure prizes go exclusively to live, active human participants.

- **Disqualification of AI Subs:** Automated AI note-taking applications, transcript bots (including but not limited to Otter.ai, Fathom, Fellow, Fireflies, or Read.ai), and pre-programmed streaming clones are completely ineligible to win.
- **System Metrics Verification:** Human activity and video progression metrics are tracked automatically by our Zoom Events backend analytics. Accounts flagged as inactive background scrapers or bot profiles will be disqualified from the raffle pools.

4. The Digital Drawings & 48-Hour Claim Requirement

The drawing will take place electronically on Tuesday, September 15, 2026, using verified system analytics data pools.

- **Email Notification:** When a winner's name is drawn from a verified pool, an official notification will be sent immediately to the email address attached to their registration. A congratulations graphic will also be posted inside the virtual event lobby.
- **48-Hour Response Window:** The drawn attendee must reply directly to the notification email within exactly forty-eight hours of the timestamp (no later than Thursday, September 17, 2026, at 11:59 PM EDT). They must verify their human presence by providing their preferred physical shipping address.
- **Forfeiture & Alternate Drawings:** If the selected account remains silent or fails to respond with a shipping address within the strict 48-hour window, the prize is immediately forfeited. The moderator will instantly pull an alternate winner from the qualified pool data. This process will repeat until a verified participant claims the prize.

5. Prize Distribution

Project Infinity, Incorporated is offering two separate, distinct gift card prizes totaling a combined value of \$150. A qualified registrant may only win one prize:

- **The Primary Prize Value:** One \$100 Visa Gift Card (awarded to the random winner drawn from the first 100 qualified users).
- **The Secondary Prize Value:** One \$50 Visa Gift Card (awarded to the random winner drawn from the open marathon pool).
- **Delivery:** Prizes will be shipped physically to the verified mailing address provided by the verified winners in 10–14 business days after the shipping address has been confirmed.
- **Coordination:** Project Infinity, Incorporated will coordinate prize delivery using the official email address attached to the winner's Zoom Events registration.
