Mandated Reporter Training

Understanding the Role of Healthy Sexual Development

Circles of Safety centers around effective ways for individuals, families and communities to act to prevent child sexual abuse before children are harmed. Workshop attendees will understand the role of healthy sexual development in keeping children safe..

9:00-11:00am

Mandated Reporter training is an in-depth, facilitator-led, in-person workshop, which gives participants the ability to recognize, react, and report child maltreatment, along with scenario practice.

12:00-2:00pm
